

1 Where is Ann?

2 She was in the class last week.

3 I haven't seen Ann today

4 She'll come next week

5 I phoned her yesterday

6 She said...

7 "The summer has gone!"

8 "I want to come to the class again"

9 "But I'm very busy"

10 "There's not enough time!"

11 She was tired

12 I'm tired too

13 I was watching a film last night

14 It was very long

15 I had a nightmare [hunllef] afterwards

16 I must remember: ...

17 I like films ...

18 ...but I must sleep!

19 Do you sleep well?

20 My bed, Your (ti) bed, His bed, Her bed, Your (chi) bed, Our bed, Their bed!
